2020

ANNUAL REPORT

CLARKE COUNTY HOSPITAL FOUNDATION

Dear Friends,

Fiscal year 2020 has been a wild ride that few, if any of us, have ever experienced before. The pandemic and the associated stay at home order and social distancing guidelines coupled with economic uncertainty have made it difficult for traditional fund-raising for the CCH Foundation. All the major Hospital events held in the spring and summer were cancelled and the Foundation Board met just twice during the year (instead of quarterly). Hidden Treasures, the Hospital's Auxiliary run gift shop, closed the second week of March and the volunteer program was placed on hold. Neither will resume until the spread of COVID-19 is under control.

You, however, have made a difference to the patients and families we serve each and every day. Your philanthropy has made a significant positive impact on the Hospital and the people we serve. Your support of Clarke County Hospital has helped our extraordinary team provide the highest level of health care and deliver on our promise "We deliver excellent, compassionate and personalized health care for the people in south-central Iowa." Your philanthropy and support has directly impacted the level of care through equipment purchases, technological improvements, and support services our patients and families receive.

Clarke County Hospital would not be what it is today without the generosity and compassion of people like you. From March to May, we received numerous thanks from community members for providing healthcare services during very trying times. These thanks meant the world to our staff and gave us the motivation to continue on. Our community has united in a common goal of supporting healthcare needs in our community and together, we have made a difference.

Please accept our deepest appreciation for your generous support of our community's patients and families.

Brian Evans, CEO
Clarke County Hospital

FOUNDATION MISSION

To promote and advance the welfare of the Clarke County Hospital through ways approved by the Hospital Board of Trustees and the Chief Executive Officer of the Hospital.

OUR LEADERSHIP

2020 CLARKE COUNTY HOSPITAL FOUNDATION BOARD MEMBERS

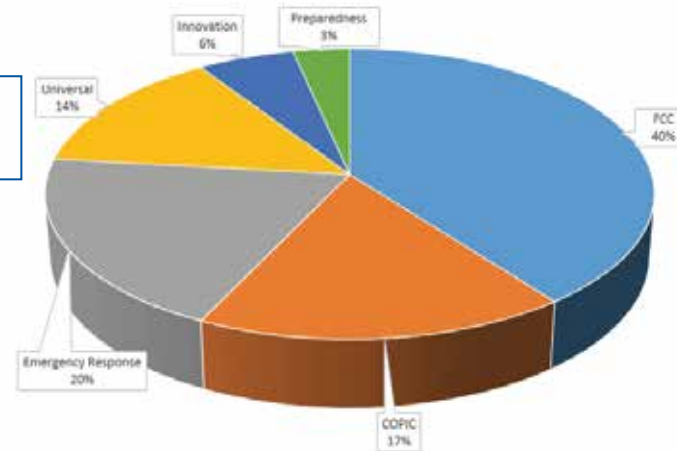

- **PRESIDENT** | BRIAN EVANS
- **VICE PRESIDENT** | RON SCHLICHTE
- **SECRETARY/TREASURER** | KIM WHITE
- **AUXILIARY PRESIDENT** | MARGE WOMBOLD
- **MEMBERS** | ROSIE BRAND, DR. JIM KIMBALL

A YEAR OF ACCOMPLISHMENTS

COVID-19's arrival in late February created many challenges for the Hospital and Foundation. However, the stimulus funding that was approved by Congress to supplement healthcare's response provided opportunities that helped the Hospital overcome the many challenges presented by the pandemic and to enhance our telemedicine services.

GRANTS/FUNDING

FCC COVID-19 Telehealth Funding	-----	\$170,072
Small Rural; Hospital Emergency Response	-----	\$ 84,147
Hospital Preparedness Program	-----	\$ 9,548
IHA Preparedness and Response	-----	\$ 5,147

COPIC Medical Foundation | \$74,948

Funding for the Nursing Skills Lab to provide mannequins and other related training equipment for CCH staff and community first responders to practice life saving skills and techniques.

Universal Service Administration | \$61,089

Federal telecommunication funding supporting rural hospitals

Employer Innovations Fund | \$ 25,000

The Iowa Workforce Development department awarded this matching grant to provide education and certification opportunities to CCH employees during the 2020 calendar year.

EVENTS

2019 EVENT REVENUE
\$10,590

14th Annual Clarke County Hospital Foundation Golf Tournament

Ladies in Bloom
-Cancelled Due to COVID-19

Community Flower & Garden Sale
-Cancelled Due to COVID-19

CAMPAIGNS

The Cancer Care and Beyond campaign kicked off in late summer 2019 with the goal of raising at least \$100,000 for the Pharmacy and Independent Specialist renovation project (\$1.2 million). The campaign had raised \$76,933 when the Coronavirus Pandemic changed our community's priorities. Active campaign fund-raising was not resumed.

BEQUESTS

Mildred Ashley

In her estate, Mildred Ashley left the Hospital Foundation \$5,000. Mildred passed away at Clarke County Hospital at the age of 92. She was a life long educator with the last fifteen years of her career teaching for Clarke Community School District. Mildred was a very special person and touched many students and other people over the years.

Planned Giving

There are as many ways to support Clarke County Hospital as there are needs to be supported. Potential benefactors of the Clarke County Hospital Foundation will want to consider a number of methods of supporting the Foundation financially. Charitable gift planning can be accomplished in a method that meets the benefactor's needs and wishes. Types of planned gifts include:

Bequests - through a will or other form of estate plan, a deferred gift can provide a gift beyond what current means allow

Beneficiary - designating the Foundation as a beneficiary of a retirement plan, life insurance, an annuity, or a will is a way to allow your gift to extend beyond your lifetime

Charitable Trust - various trusts can be used to provide value to the donor and provide a gift to the Foundation

Property - this can include a gift of securities, insurance policies, and real estate. In a rural community, there is the potential to include the Hospital Foundation as the beneficiary of farmland. Also, stocks, bonds and mutual funds can be donated, often with positive consequences for your estate taxes.

All gifts are deeply appreciated and significant. To make a charitable contribution to the Clarke County Hospital Foundation, please contact the Foundation at **641-342-5489** or tbahls@clarkehosp.org

Clarke County Hospital Foundation

As a 501(c) non-profit organization, gifts to the Clarke County Hospital Foundation are tax deductible to the fullest extent of the law. Specific tax benefits can be discussed in more detail with your attorney or tax advisor

TOGETHER,
WE CAN MAKE A DIFFERENCE

THANK
