**FOR IMMEDIATE RELEASE**

What: Clarke County Live Broadcast: COVID-19 Update and Q & A

When: Thursday, March 19 – 1:00 pm

A one hour discussion led by Clarke County Public Health and a panel including leaders from local government, healthcare and school districts to bring Clarke County residents up to date on COVID-19 prevention and where to find trusted sources of information

Questions can be asked by posting them on Clarke County Public Health and Clarke County Hospital's Facebook pages beginning Tuesday March 17 and running through the time of the event.

The broadcast will occur on the following sites:

City of Osceola Website - <https://osceolaia.net/>

QR Code for Live Broadcast

<https://osceolaia.net/city-council-live/>

Post your questions on Facebook now or during the live Q & A - The Q & A event will also be on Facebook Live:

Clarke County Public Health <https://www.facebook.com/ClarkeCountyPublicHealth/>

Clarke County Hospital <https://www.facebook.com/clarkecountyhospital/>
