

Clarke County Hospital Foundation

June 1, 2020

Golfer and Foundation Supporter,

In support of extreme social distancing measures, Clarke County Hospital Foundation and Auxiliary has cancelled the 15th Annual Foundation Golf Tournament scheduled for July 10, 2020. So, stay home! Covid-19 strikes again, but there is some upside:

- You don't receive another CCH coffee mug in your gift bag
- You don't spend \$150 on silent auction gift cards that you keep forgetting to use
- You don't have to take a nap after the tournament meal

Unfortunately, there is some downside:

- Another year of bragging rights for the AM and PM flight winners (Hunsicker and Associates, and American State Bank)
- Funding for scholarships for healthcare students from Clarke County is not raised

Since 2006, the Clarke County Hospital Auxiliary has awarded \$50,000 in scholarships to area students pursuing an education in healthcare. These scholarships not only support the dreams of area students but also provide the Hospital with skilled healthcare workers when the students return to Clarke County after their education is completed.

Please consider donating to the Foundation to support healthcare scholarships to area students; this year's tournament was canceled due to COVID-19, but the need for scholarship funding remains.

Thank you and stay safe,

Marge Wombold
CCH Auxiliary President

Jodi, Reindl
CCH Tournament Director

Jenny Keller (on right, pictured with Med-Surg Manager Liz Jones) is currently a CNA in Med-Surg at CCH. She is a 2020-21 scholarship recipient and is pursuing an RN degree at Grandview. She is smiling behind her mask!
